## ABOUT THE COMPANY....

**Fortune Dental Equipments** is a Hubli, Karnataka-IN based Dental Chairs manufacturing company. It is promoted by a group of well-experienced technical team under the guidance of dental professionals and marketing experts.

Since its inception, Fortune Dental Equipments is serving dental fraternity with the motto to offer innovative products adhering to international standards at competitive prices with superior services.

Being modest, we have catered to the needs of Government Dental Colleges, Corporate Hospitals and Private Dental Colleges. Also, many private practitioners are our esteemed clientele.

The quest for innovation and research go hand-in-hand at Fortune Dental Equipments. To conform to Medical Devices Quality and Management Standards, we have been certified by ISO 13485-2016. We also have got a license to Manufacture Medical devices (Dental Chairs) from CDSCO.

We at Fortune Dental Equipments would pledge to uphold the best of quality in the market and strive for continuous improvement with customer support.

Mahantesh Badami  
Managing Director
